**Invitation from Mr. Bill McMurchie, Mayor of Pointe-Claire**

Dear fellow citizen,

I am writing today to introduce an exciting initiative that will have a positive impact on Pointe-Claire.

I invite you to support community project by filling out the Hydro-Québec ENERGY WISE Home Diagnostic questionnaire.<sup>1</sup> You'll receive a free personalized report with energy-saving recommendations. For each report issued, Hydro-Québec will make a contribution to our community project: \$35 for each online report or \$30 for each printed report.<sup>2</sup>

The project chosen by the city of Pointe-Claire involves building a permanent outdoor stage for the Stewart Hall Cultural Centre. The residents of Pointe-Claire are very proud of this centre, where concerts and summer activities generally attract from 400 to 1,000 people for each event. The present stage is a temporary installation that must be rebuilt each year using boards from the municipal skating rinks. The proposed stage will fit harmoniously into the environment and provide an ideal venue for outdoor performances. With this addition, the centre will be an even greater source of pride for our citizens.

**A practical way**

The ENERGY WISE Home Diagnostic is a practical way to help you save energy and do something for the environment—all without compromising your comfort.

By filling out your questionnaire online, not only will you receive your free personalized report immediately, you'll also save trees. Visit [wegowiththeflow.com/project](http://wegowiththeflow.com/project) today and use the enclosed card to jot down the information needed to complete the questionnaire.

Go with the flow.

Yours truly,

Bill McMurchie  
Mayor of Pointe-Claire

P.S. If you do not complete the questionnaire online, you will receive a paper copy in the mail shortly.

2633-504-FL-REC-02/08-E 2-000006

**THE HOME DIAGNOSTIC IS IN EVERYONE'S BEST INTEREST**

Participate in the community life of Pointe-Claire  
and support a project with tangible benefits for all of us.

**Permanent outdoor stage for the Stewart Hall Cultural Centre**

**Other advantages for you**  
You will be automatically entered in the *Get Energy Wise and Win*<sup>3</sup> contest to win a Chevrolet Malibu Hybrid or one of 100 gift boxes of energy-saving products.  
**Better yet, triple your chances of winning by filling out the questionnaire online and you'll save trees at the same time.**

<sup>1</sup>Certain conditions apply. <sup>2</sup>Limited time offer. Valid until March 15, 2009, inclusive. Valid only for an initial diagnostic for your current residence. <sup>3</sup>No purchase necessary. Contest is open to Québec residents aged 18 years and over. Contest runs from August 16, 2008, to February 5, 2009; the draw will be held March 5, 2009. Another contest consisting of four draws will take place from February 6, 2009, to December 31, 2010. The prizes awarded for all draws are of equivalent value. Participation in one draw only per residence throughout the duration of the two contests. Valid only for an initial diagnostic for your current residence. Approximate prize values: Chevrolet hybrid vehicle – \$27,000; 100 gift boxes – \$50 each. Other conditions apply. For all contest details, draw dates and complete rules, visit [wegowiththeflow.com](http://wegowiththeflow.com) or for a paper copy, call 1 800 ENERGIE (1 800 363-7443).
